Disclosure of Relevant Financial Relationships

2026 AES Annual Meeting

December 4-8, 2026 | Denver, CO (Live)

The American Epilepsy Society (AES) requires everyone in control of the content of an accredited activity, including planners, speakers, CME reviewers and staff, to disclose all financial relationships with ineligible companies held in the past 24 months. An ineligible company is one whose primary business is producing, marketing, selling, re-selling or distributing healthcare products used by or on patients.

All relevant financial relationships listed below have been mitigated.
